

71. *Prenolepis imparis* var. *minuta* Emery. Clemson College (M. R. S.).
72. *Prenolepis* (*Nylanderia*) *parvula* Mayr. Clemson College (M. R. S.).
73. *Paratrechina longicornis* Latr. Greenwood, Batesburg, Columbia, Charleston (D. E. R.). The crazy ant does not seem to be very widely distributed in the State but wherever it occurs it is a house pest of considerable importance.
74. *Paratrechina bourbonica* Forel var. Summerville, Charleston (D. E. R.).
75. *Lasius niger* var. *neoniger* Emery. Clemson College (D. D.); Rocky Bottom (J. E. W.); Easley, Greenville, Williamstown, Calhoun Falls, Greenwood, Spartanburg, Gaffney, Blacksburg, Buffalo, Newberry, Batesburg, Lexington, Sumter, Camden, Conway, Winnsboro (D. E. R.).
76. *Lasius niger* var. *americana* Emery. Gaffney (D. E. R.); Clemson College (M. R. S.).
77. *Lasius* (*Acanthomyops*) *interjectus* Mayr. Clemson College (M. R. S.); Pickens, Spartanburg (D. E. R.). The largest species of the *Acanthomyops* group, all species of which can be recognized by their pleasant citronella-like odor.
78. *Lasius* (*Acanthomyops*) *claviger* Roger. Clemson College (D. D.).
79. *Lasius* (*Acanthomyops*) *latipes* Walsh. Scranton (D. E. R.).
80. *Formica sanguinea* subsp. *subintegra* Emery. Clemson College (M. R. S.). The only known representative in the State of the slave-making ants of the *sanguinea* group.
81. *Formica truncicola* subsp. *integra* Nyl. Clemson College (M. R. S.); "The Tunnel" near Walhalla (O. L. C.).
82. *Formica pallide-fulva* Latr. Clemson College (M. R. S.).
83. *Formica pallide-fulva* subsp. *schaufussi* var. *dolosa* Whlr. Walhalla (M. R. S.); Clemson College (J. E. W.); Seneca, Inman, Blacksburg (D. E. R.).
84. *Formica fusca* var. *subsericea* Say. Clemson College (M. R. S.); Greenville, Spartanburg (D. E. R.).
85. *Polyergus rufescens* subsp. *lucidus* Mayr. Whitewater Falls (M. R. S.). The above locality probably represents the
