### EXPLANATION OF PLATES

- Fig. 1.** Dorsal view of whole body photographed by SEM.  $\times 22$
- Fig. 2.** Dorso-lateral view of whole body.  $\times 22$
- Fig. 3.** Dorso-lateral view of head.  $\times 46$
- Fig. 4.** Anterior view of head.  $\times 46$
- Fig. 5.** Dorsal view of head.  $\times 46$
- Fig. 6.** Frontal view of frons.  $\times 124$
- Fig. 7.** Frontal view of clypeus.  $\times 223$
- Fig. 8.** Frontal view of mandibles.  $\times 314$
- Fig. 9.** Frontal view of compound eye.  $\times 59$
- Fig. 10.** Frontal view of antennae.  $\times 46$
- Fig. 11.** Dorsal view of thorax.  $\times 46$
- Fig. 12.** Dorso-lateral view of thorax.  $\times 46$
- Fig. 13.** Dorsal view of petiole and abdomen.  $\times 31$
- Fig. 14.** Frontal view of mesothoracic spiracle.  $\times 590$
- Fig. 15.** Frontal view of propodeal spiracle.  $\times 590$
- Fig. 16.** Dorso-lateral view of petiole and abdomen.  $\times 46$
