

March to September, at which time the number was apparently closed and sent to the printer. The printing of the issue consumed three months. In consequence, the cover bears the date of publication, January 10, 1950.

This being the case, the genus *Kyidris* Brown takes precedence over the synonymic genus *Polyhomoa* Azuma. As to whether Azuma's species *itoi* is a synonym of Brown's *mutica* is not certain but it seems probable that this is the case.
