 FORMICINAE  
 Santschiellini  
 Santschiella  
 Plagiolepidini  
 Acropyga, Plagiolepis, Acantholepis  
 Myrmelachistini  
 Aphomyrmex  
 Prenolepidini  
 Prenolepis, Paratrechina

Formicini  
 Pseudolasius, Cataglyphis  
 Oecophyllini  
 Oecophylla  
 Camponotini  
 Camponotus, Phasmomyrmex,  
 Polyrhachis.

Literature

Bolton, 1973a (Synopsis and key to genera of West Africa).  
 Leston, 1973 (Biology of ponerines).  
 Léviéux, 1973a, 1973b (Ecology and taxonomy, Ivory Coast).  
 Wheeler, 1922 (Catalog and key, Africa).

Acknowledgment

I greatly appreciate the interest and generous help of B. Bolton in providing literature, identifying specimens, and reviewing the list.

- names in [ ], not currently known from Nigeria, best known from area indicated near Nigeria.
